New LTI Course Development

Please come to the September meeting prepared to participate in section discussions on the needs of the membership in terms of new LTI course development. Current course revisions will be shared and potential new course topics brainstormed, discussed and prioritized for future development.

NIAAA In-Service Programs

In-Service Program opportunities in 90 minute or 4 hour sessions still exist in LTI courses #504, #608 and #714. Contact the NIAAA for additional details.

Program Consolidation Strengthens Professional Development

As a result of the summer Task Force meeting, a proposal to consolidate the domain of the professional development programs has come to fruition. The Leadership Training Institute, Certification Committee, Accreditation Committee and QPA will collaborate their efforts to provide the membership alignment within the realm of continued growth and program enhancement. It has been recommended that the new structure be known as the Professional Development Academy (PDA). The Task Force will continue to meet over the next twelve months and prepare additional proposals for consideration that will continue to progress programming into the 21st century.

September Conference Visionary Concept

The 2013 September Conference will be unlike most we have had. The conference will include: blended information for LTI/Certification Coordinators; four different technology sessions; four breakout sessions to discuss visionary concepts for future growth in the NIAAA Professional Development Model; and all documentation placed on flash drive (very few paper documents). Be sure you have your laptops!!!
