

## Fall 2020 Survey Results

Based on information available today (7/21/20), I am most in favor of the following option regarding the fall sports season:

115 responses

- Proceed as a regular season on August for all sports
- Proceed as a regular season on August for all only approved non or low contact sports
- Delay all sports on August fall
- Cancel all Fall sports

91 Proceed on with all sports Aug 1

54 Delay all sports Aug 1

30 Proceed on Aug 1 with only low contact or non contact sports

10 Cancel Fall Sports

If it meant saving the fall season (and since we are playing baseball and softball now), would you be in favor of flipping the fall and spring season?
